UT Southwestern Urology Team to serve JPS / **Acclaim** patients

JPS Health Network and Acclaim Physician Group are happy to announce the expansion of our urology services.

On August 30, the UT Southwestern Urology Team will begin providing comprehensive urology services at the main campus in our second floor surgery specialty clinic. Eight faculty members and three advanced practice professionals will be credentialed to provide all facets of sub-specialty care with 24/7 coverage.

The primary medical staff members at JPS will be:

Dr. Ryan Hutchinson

Ryan was recruited specifically for JPS and is making his home here in the Southside neighborhood. He recently completed his fellowship in urologic oncology at UT Southwestern in Dallas. Ryan earned his medical degree from the Vanderbilt University School of Medicine in Nashville, completed an internship in general surgery and residency in urology from Mayo Clinic School of Medicine in Jacksonville, Florida.

Dr. Aditya Bagrodia

Aditya earned a medical degree with highest honors from the University of Tennessee Health Science Center in Memphis. He completed his residency in urology from UT Southwestern Dallas and a fellowship in urologic oncology from the Memorial Sloan Kettering Cancer Center in New York City.

Dr. Yair Lotan

Yair earned his medical degree from Baylor College of Medicine in Houston. He completed his internship in general surgery and urology residency at UT Southwestern in Dallas. Dr. Lotan serves as Director of Oncology and Medical Director of all clinics for UT Southwestern Urology.

Please welcome Drs. Hutchinson, Bagrodia and Lotan to JPS and Acclaim.
